BUSINESS UPDATES

★ PAST EVENTS

In these last few weeks our FFA Chapter has been incredibly busy kicking off the year with a stellar performance at the Sonoma County Fair where we had multiple breed, species, and showmanship champions, we hosted our annual Back to School Taco Truck Family Night, and our first FFA Meeting as an Ice Cream Social.

★ UPCOMING EVENTS

Sign up for Public Speaking (Creed, Impromptu, Prepared, Extemporaneous, or Job Interview), Opening and Closing (Novice Teams meet with Ms. Solano, Advanced Teams meet with Mrs. Piehl), or the Leukemia and Lymphoma Society's Light the Night in any Ag Class! We are still taking donations for the Light the Night as well! Remember you do receive FFA Credit for attending any events or participating in any teams. Take a chance and be apart of something bigger than yourself! See your Ag Teacher for more info.

STUDENT SPOTLIGHT

Sierra Letvinchuck

"For her dedication and outstanding service..."

This month we would like to highlight our Chapter's Vice President Sierra Letvinchuck. Sierra was nominated because of her dedication and service to all things FFA. She can be found setting up for activities and events and always going above and beyond to get to know new members. Her advisors describe her as the team "firecracker" and that's not because she's our resident redhead, but because she is incredibly energetic and always willing to dive right into her tasks and responsibilities. We are so excited to see what other amazing things she will accomplish this year and after she graduates this spring and attends SRJC in the Fall of 2020!
